Municipal Concerns

“Attracting and retaining qualified employees ranks second only to the economy as the most significant threat to municipal organizations today.”

Canadian Association of Municipal Administrators (CAMA)

ONWARD

A leadership initiative of the major municipal staff associations, AMO, OMERS & post secondary institutions focused on:

Bringing municipalities & talented people together

ONWARD

- Developing strategies to remove barriers in the recruitment of new talent
- Raising awareness of career opportunities in the municipal sector
- Developing the next generation of municipal leaders
- Promoting the municipal sector as a career choice for youth/young adults
