Submitting Presentation Proposals

- Your submission must include the title of the presentation, presenter name(s) and organization(s), presenter bio(s), and the presentation description.
- Please submit a 200-word description of your presentation. This 200-word description will be used in all conference advertising literature and assist in evaluating your submission. Please use clear language to describe the nature of the presentation. **Please ensure your description accurately reflects the content of the session. Sessions that are interactive and/or focus on case studies, best practices, and provide take-aways for attendees will be given priority.**
- Presentation rooms will be set up with a projector and laptop for powerpoint presentations. Please specify any additional audio-visual equipment that you will need for your presentation.
- Please allow time within your presentation for questions and discussion.
- All accepted presenters are asked to provide an electronic copy of their presentation for the conference website. Presenters are responsible for duplicating any handouts at their own cost if they wish to provide within their presentations.

Criteria

The **200-word description** will be the basis for judging the proposal. All evaluations will be based on the following criteria:

- Importance
- Innovation and originality
- Quality, clarity and organization of submission
- Sessions will be selected to ensure a varied program
- ***Sessions that are interactive and/or focus on case studies, best practices, and provide take-aways for attendees will be given priority***

Conference Streams include:

- Marketing and Promotion
- Economic Development
- Leadership and Management
- Other

Deadline for submission of proposal: February 28, 2019
